

THE PARENTAL PLEDGE

Federation of Bursledon CE (C) Infant and Bursledon Junior Schools

Be a Proud Parent/Carer.

Be on time:

At drop off and pick up and for school appointments.

Be positive:

Give praise and thanks whenever possible to instil confidence in your child.

Be polite:

Bad language and ill tempers should not be directed at children, staff and parents and must not be displayed on school grounds. Children are likely to copy learnt behaviours.

Be kind:

Bullying and threatening behaviour of any sort is not acceptable. Verbal, physical, written or implied threats from parents directed at children, teachers, governors or other members of staff and school parents will not be tolerated.

Be helpful:

If you hear of a problem or have any worries, report it immediately.

Be in control:

You can't always control other people - but you can control the way you react. The use of any type of physical aggression must be avoided as this may be seen to be an assault on the individual and may have legal consequences. Remember not to threaten verbally, physically or through social media, as this is a criminal offence and will have to be reported.

Be considerate:

Smoking is not permitted anywhere in the school grounds; move away from the school gates and car parks during peak drop off and pick up times if you must smoke or vape.

Some of our children have severe, and in some cases even life threatening, allergies. Avoid making them ill by not bringing nuts, kiwis and dogs onto school grounds.

Be thoughtful:

Once you have dropped your child off at school move on and make space for those arriving later to ease congestion and reduce stress at peak times.

Be 'green':

Turn off your car engines when parked on or near the school grounds. Do not litter.

Be responsible:

Notify the school if your child is absent. Label all school uniform, pencil cases, bags and coats.

Be respectful:

Respect all the children, staff, parents and the governors. Do not bring onto school grounds, or be under the influence of, any intoxicating substances. Respect and look after the school's property.

Be encouraging:

Help with homework. Encourage participation in extended school activities. Encourage children to always do their best.

Be supportive:

Recognise their achievements. Support the schools values of Love, Respect, Aspire.

Be the best you can be... You are their role model.
