

Dear parents / carers,

This week has been amazing because it is art week. In year 2, we have been busy practising for our school play. We have also innovated 'Frere Jacques' to create our own song called 'Bursledon Infants'. It is about what you can hear around the school. On Friday, we have written a poem called 'The Magic Box'. It is about our memories of the last 3 years at Bursledon Infants School.

Next week, we will be practising the whole of our play and will get to do a dress rehearsal. Check back next week for another update.

Year 2 Boys' Writing Club.
